

The **IMPACT** program promotes healthy living and relationships to teens through **TEEN IMPACT**, to parents through **PARENT POWER**, and to teachers and other youth leaders through **CLASSROOM EDUCATION**.

The **WAIT Training (Why Am I Tempted?)** and **Choosing the Best** curriculums use interactive lessons that provide teens with the skills they need to delay sexual relationships. Delivered by trained adults through our local high schools, middle schools, community organizations and churches in Hillsborough County.

Game Rules:

Lunch will be provided. Scramble method of play is as follows: On the contest holes, all men will hit from whites and women from reds. Select best tee shot of team. Then, other team members will pick up their ball and move to selected drive playing their ball within ONE club length of the selected ball. Continue this method of play until completion of each hole.

On the green: Immediately stick marker adjacent to the selected ball. All players must putt from the identical spot occupied by the selected ball. This procedure continues until the team holes out. All accidental "tap ins" of a putt shall count as a stroke.
